

9th Annual

HRS Rose School 2024

The Honolulu Rose Society is proud to present a series of four comprehensive and interactive monthly workshops concentrating on the fundamentals of rose gardening specific to Hawaii's climate.

Enroll now and learn all there is to growing roses in Hawaii. The Rose School is open to everyone for a limited time. **Visit our website at www.HonoluluRoseSociety.org for more information!**

PLANTING ROSES

Saturday, April 27, 2024

9:30 am—12:00 pm, Aiea United Methodist Church - Aiea

You will learn about the essential ingredients for a successful planting mix for your roses planted in the ground and/or containers. You will also learn and practice fool-proof techniques of planting and transplanting potted starter-roses, bareroot roses, miniature roses and climbing roses in the ground and in containers. **You will receive a miniature rose plant to practice transplanting potted roses.**

FERTILIZING ROSES

Saturday, May 25, 2024

9:30 am—12:00 pm, Aiea United Methodist Church - Aiea

You will learn about the cycle of bloom (from pruning to bloom) and how you can achieve huge and healthy blooms by customizing your own fertilizing program. You will also learn about the benefits of organic and chemical fertilizing.

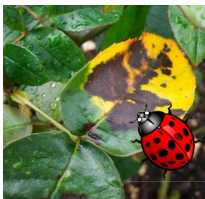

PRUNING ROSES

Saturday, June 22, 2024

9:30 am—12:00 pm, Aiea United Methodist Church - Aiea

You will learn and practice the proper technique and timing of pruning roses. Also, you will learn about the basics of different pruners used for roses and tool care.

MAINTAINING ROSES

Saturday, July 20, 2024

9:30 am—12:30 pm, Aiea United Methodist Church - Aiea

You will learn and practice safety techniques in spraying your roses. You will have comprehensive knowledge on daily care and create your own customized maintenance program to prevent fungal disease and pest problems in your garden. You will also learn about the importance of keeping an "eco-balance" in your garden which will help in reducing the future use of spray chemicals.
